Smith claims weekly honor

FARMVILLE, VA--A sparkling 32-point performance, which paced Longwood to a come-from-behind 85-68 victory over UNC-Greensboro, has earned senior forward Maryjane Smith (Pamplin) **Longwood College Player of the Week honors.**

Smith did it all against the Lady Spartans December 8. With Longwood trailing 32-27 at the half, Maryjane led a Lady Lancer charge with 20 points in the second half. The victory moved Longwood's early season record to 4-3.

For the game, Smith added 12 rebounds to her 32 points. Perhaps most amazing, however, were her shooting percentages from the floor and the foul line. From the floor, she made 10 of 13 shots, and from the charity stripe, she canned 12 of 14. Her percentages were 71 per cent from the floor and 86 from the line.

Raiderettes top Altavista 52-25

The Raiderettes, behind Annette Carter's 20 points, easily defeated the Altavista girls 52 - 25 in the A. C. H. S. gym on Dec. 18.

After leading by only 8 points at intermission, the Raiderettes came on strong in the third period, outscoring Altavista 17 - 3 to put the game on ice.

Susan Handy contributed 9 points to the Appomattox effort, while Lisa Cook led the Altavista scoring with 10.

Raiders ease by Altavista 61-59

Larry Kelso's layup with five seconds remaining in overtime handed Appomattox a 61-59 Seminole District basketball victory over Altavista here Tuesday night.

The game ended in regulation when the Colonels' Ed Barbee sank a lane jumper with two seconds showing, tying the contest at 57-57.

In the overtime stanza, Appomattox jumped ahead quickly when Marvin Johnson sank a short jumper. Robbie Myers knotted the score again for the Colonels on an inside move, setting the stage for the Raiders' final play and Kelso's bucket.

This was the second-consecutive game decider for Kelso who made a shot at the buzzer to defeat previously unbeaten Nelson.

The win upped Appomattox's mark to 4-2 overall and 3-2 in the district. The Colonels now has lost four times in five outings.

Longwood's leading scorer with a 20.9 ppg. average, Smith has hit over 50 per cent of her field goals for the season. She has also made over 78 per cent of her free throws. In rebounds, Maryjane ranks third with over 6 caroms per contest.

An All-District performer at Appomattox High School in basketball, softball and volleyball, Smith was a starter in all three sports during all four years of high school. She averaged 14.2 points and 5.6 rebounds in eight games at Longwood last season, before dropping out of basketball second semester.

Majoring in Health, Physical Education and Recreation plus Math, Maryjane is the daughter of Mrs. Anne C. Smith of Pamplin.

Kelso paced Appomattox with 17 points followed by Terry Woods with 14 and Shane Abernathy with nine.

Micah Moon pumped in 18 markers for the Colonels, who blew a 30-21 halftime lead to a pressing Appomattox team. Myers and Arthur Organ contributed 11 each in a losing cause.

For the second-consecutive game, guard Ricky Faulkner did not play for Altavista because of school disciplining.

Then and now

by Frances H. Paulette

So quickly gone . . .

Time went by like a little boat . . .
Down a lazy river,
Days paused a moment, filled with living,
And then were gone forever.

As quietly as a tiny kitten on white furry feet, the old year, 1979, left us to take its place on the shelf marked 'memories' in the storehouse of time.

So many memories of 1979 will remain with us long after a brand new calendar has found a place on our desk or wall.

The good memories, and I hope there were many of them for you, will be taken out, dusted off, relived, and cherished.

The unpleasant memories? They, too, are in the past and best left there for after all we cannot change one tiny thing that has happened. We can, however, do something about 1980. Just what will it hold for each of us? It depends a lot on what we do with the days and weeks to come.

In 1980, try smiling more often; a smile can work miracles, lift a burden, ease a care. Like a pebble tossed into a pool and the ripples go outward, on and on, far reaching; so it is with a smile. Try smiling at a stranger for no reason, and when that individual meets another stranger, he or she will most likely do the same thing . . . on and on!

Don't forget in 1980 to take time for recreation, for play will keep an individual eternally youthful, (in spirit anyway!).

Even through 'all work and no play will make Jack a dull boy', each human being, if he or she is able, needs to work. Work is fulfilling and the price of success.

Most of all during 1980, take advantage of the greatest power available to man . . . the power of prayer. In Matthew 7 it says "Ask and it shall be given, seek and ye shall find . . ." In 1980, don't forget to ask God's guidance in prayer . . . the little things as well as the big issues.

Because the longest life is brief, we must be quick to do those things that will enrich not only our lives, but the lives of others.

Take time to laugh, for someone said, "A laugh is the music of the soul."

Last, but not least, take time to love and be loved; it is a God-given privilege we should cherish.

1980? Let's make it a good year, in a little while it too will be only a collection of forgotten moments, passing in the night.

May the New Year give you the very best in the way of joy, peace, and good health. Don't forget to give it your best!!
